Welcome to the Indian Pharma Congress 2026!

We are delighted to invite you to be a part of the Indian Pharma Congress 2026, an International Conference that will take place on 10th - 11th December, 2026 in the dynamic city of Bengaluru, Karnataka, India. This landmark event will bring together global leaders, innovators, researchers, and policymakers to explore the transformative role of Indian pharma in shaping global healthcare and wellness.

Theme: Transforming Healthcare: The Role of Indian Pharma in Global Wellness

As one of the world's largest and fastest-growing pharmaceutical hubs, India is playing a key role in driving affordable healthcare solutions, advanced drug development, and innovative healthcare technologies that benefit not just India, but also the global community. The Indian Pharma Congress 2026 will focus on how Indian pharmaceutical companies and research institutions are making significant contributions to global wellness, impacting healthcare systems, policies, and patient access across all countries.

This conference will bring together a diverse range of professionals from across the world to discuss cutting-edge topics such as drug discovery, regulatory frameworks, clinical trials, pharmaceutical manufacturing, sustainability, and the future of healthcare.

What to Expect:

- **Global Perspectives:** Hear from industry experts, thought leaders, and key stakeholders from around the world as they share their insights on the future of global healthcare and the pivotal role of Indian pharma.
- **Thought-Provoking Sessions:** Engage in discussions on the challenges and opportunities in drug development, global healthcare access, regulatory alignment, and innovation in the pharmaceutical sector.
- **Networking Opportunities:** Connect with leading professionals, researchers, healthcare organizations, and pharma executives from all over the world to foster partnerships and global collaborations.
- **Exhibitions & Showcases:** Discover the latest advancements in pharmaceutical products, technologies, and services through our comprehensive exhibition.

This conference will serve as a unique platform to discuss the role of India's pharmaceutical sector in the global healthcare ecosystem and its contributions to worldwide wellness. We welcome participants from all corners of the world to come together, share knowledge, and explore collaborative solutions to global healthcare challenges.

We look forward to welcoming you to the Indian Pharma Congress 2026, where global collaboration meets innovation in the world of pharmaceutical science and healthcare.

It is with profound honour and great pleasure that I extend a cordial welcome to all distinguished delegates, esteemed guests, and valued participants to the **Indian Pharma Congress 2026**, being convened on the **10th - 11th of December, 2026** in the dynamic and culturally rich city of **Bangalore, Karnataka**.

The theme of this year's Congress, "Transforming Healthcare: The Role of Indian Pharma in Global Wellness," aptly reflects the vital and evolving role of India's pharmaceutical industry in advancing the global healthcare agenda. As the world continues to grapple with emerging health challenges and the imperative for equitable access to quality care, the Indian pharmaceutical sector stands as a beacon of resilience, innovation, and leadership.

This prestigious gathering presents a unique opportunity to deliberate on a wide spectrum of critical issues, including regulatory harmonisation, digital transformation in healthcare, pharmaceutical innovation, and the strengthening of global supply chains. Through these discussions, we aim to collectively envision strategies that will facilitate broader access to essential medicines and promote health equity on a global scale.

I am confident that this distinguished platform will serve as a catalyst for impactful dialogue, foster enduring collaborations, and engender transformative ideas that will shape the future contours of healthcare delivery.

I extend my sincere appreciation for your presence and active participation. Let us be united in our shared commitment to building a healthier, more inclusive, and sustainable world.

With Warm Regards

Professor Y.K. Gupta

Principal Advisor India Strategy Development –
Global Antibiotics Research and Development Partnership (GARDP),
President, AIIMS - Jammu, and Former President AIIMS - Bhopal

Dear Colleagues, Industry Leaders, and Esteemed Guests,

It is my great pleasure to welcome you to the **Indian Pharma Congress 2026**, scheduled for **10-11 December, 2026** in the vibrant city of **Bangalore, Karnataka**.

This year's theme, "**Transforming Healthcare: The Role of Indian Pharma in Global Wellness**," underscores the pivotal role the Indian pharmaceutical industry plays in shaping the future of global healthcare. As we navigate the rapidly evolving landscape, India's pharma sector is uniquely positioned to lead in innovation, accessibility, and quality, driving wellness across the globe.

Our focus areas for this Congress will include:

- **Innovations in Pharmaceutical Research and Development**
- **Advances in Regulatory Frameworks and Global Compliance**
- **Digital Health and Technology Integration**
- **Sustainability in Pharmaceutical Manufacturing and Supply Chains**
- **Affordable Access to Medicines and Global Healthcare Equity**

Through these discussions, we aim to strengthen global collaboration, foster innovation, and address the challenges of providing equitable healthcare to all.

I am confident that this platform will inspire new partnerships and ideas that will help transform healthcare and enhance global wellness. Thank you for your participation, and I look forward to the impactful conversations ahead.

With Warm Regards

Dr. T S Rao

Former Senior Advisor
Department of Biotechnology (DBT),

FOCUS OF THE CONFERENCE

Advancing Pharmaceutical Innovation

- Discussions on cutting-edge drug delivery systems, biopharmaceuticals, nanotechnology, and AI in drug development to address global health challenges.

India's Global Impact

- Highlighting India's pivotal role in affordable drug manufacturing, generic medicines, and its increasing influence on global healthcare accessibility.

Personalized and Precision Medicine

- Exploring advancements in personalized therapies and genomic medicine, with a focus on targeted treatments and precision healthcare for better patient outcomes.

Regulatory Excellence and Market Access

- Keynotes and sessions focusing on global regulatory trends, market access strategies, and compliance challenges faced by Indian pharma on the world stage.

Pharmacovigilance and Drug Safety

- Exploring best practices and innovations in drug safety monitoring, adverse event reporting, and the growing importance of pharmacovigilance in global health.

Healthcare Policy and India's Contribution to Global Wellness

- Delving into healthcare policies, global health strategies, and public health initiatives led by Indian pharmaceutical companies and the government.

Collaboration for Global Health

- Promoting international collaborations, research partnerships, and business alliances to enhance healthcare solutions worldwide and improve access to life-saving drugs.

The focus of this conference will be to bridge the gap between innovation and global health needs, positioning Indian pharma as a key player in addressing both domestic and international healthcare challenges.

WHY ATTEND

Unmatched Networking Opportunities:

Connect with industry leaders, key stakeholders, academia, and global experts in the pharmaceutical and healthcare sectors. Whether you're looking to expand your network, form partnerships, or explore collaborations, this conference offers an unparalleled opportunity to interact with influential professionals from around the world.

Stay Ahead with Cutting-Edge Insights:

- ✦ Gain access to the latest innovations and trends in the pharmaceutical industry. From drug discovery and advanced drug delivery systems to biotechnology and AI in drug development, you'll stay updated on the technologies and strategies that are shaping the future of global healthcare.

Learn from the Best:

- ✦ Attend keynote speeches and panel discussions led by world-renowned experts, thought leaders, and pioneering researchers. You will gain valuable insights on regulatory challenges, clinical trials, pharmacovigilance, biopharma innovations, and much more.

Be Part of Transforming Global Healthcare:

- ✦ Understand the role of Indian pharma in global wellness and its contributions to solving pressing healthcare challenges worldwide. Learn how Indian pharmaceutical companies are making an impact on affordable healthcare, drug accessibility, and global health systems.

Explore New Business and Research Collaborations:

- ✦ Whether you are looking to expand your business, explore new research avenues, or invest in cutting-edge technologies, the Indian Pharma Congress 2026 will provide a platform for you to initiate or deepen strategic partnerships and collaborations with pharma companies, biotech firms, research institutions, and healthcare organizations.

Discover Innovative Solutions at the Exhibition:

- ✦ Visit the exhibition area to explore the latest pharmaceutical technologies, drug delivery systems, biotech innovations, and manufacturing solutions from leading companies and research groups. This is your chance to see first-hand how new innovations are improving healthcare outcomes globally.

Sharpen Your Skills Through Workshops and Masterclasses:

- ✦ Participate in hands-on workshops and masterclasses designed to give you practical insights and tools in areas like regulatory affairs, clinical trials, pharmacovigilance, nanotechnology, biostatistics, and personalized medicine.

Understand Global Regulatory and Market Access Trends:

- ✦ Learn about the global regulatory landscape, market access strategies, and the challenges facing the pharma industry. Discuss how Indian pharma is navigating these complexities to bring innovative drugs and therapies to global markets.

Contribute to Shaping the Future of Healthcare:

- ✦ Share your research, insights, and ideas, and be part of discussions that are not just shaping the future of pharma but also influencing healthcare policies and global wellness strategies. Your voice can contribute to policy recommendations, clinical advancements, and sustainable healthcare solutions worldwide.
